

### TRANSFER IN FORM PART I

(To Be Completed by Student)

Complete and return this form only after receiving official notice admission by e-mail from the Office of Admissions.

International students admitted and transferring to Florida State University must submit this form to the Center for Global Engagement before Florida State University can issue the appropriate I-20 or DS 2019 form.

Note: If you are currently in F-1 or J-1 status, you are considered a transfer for immigration purposes, even if you have just graduated from a degree program or an intensive English language school. Please ask an international student advisor at your current school/institution to complete this form, fax it to the number below and, if you are eligible, transfer your SEVIS record to FSU. Your FSU I-20 or DS-2019 cannot be produced until your SEVIS record is released to FSU and you have provided proof of adequate funds.

#### Please be informed of the following:

- 1. Your SEVIS record can be released and transferred to only ONE school/institution. If you have any questions about the SEVIS transfer process, it is best to discuss your concerns with the international student advisor at your current school.
- 2. All employment at the current school MUST CEASE upon official release of your SEVIS record to FSU. You may work only at the school that has responsibility for your SEVIS record. If you are approved for Optical Practical Training (OPT), your OPT cancels out on the release date of your SEVIS record to FSU.
- 3. You will be required to attend new international student orientation. For dates and registration: <a href="http://cge.fsu.edu/newStudents/orientation.html">http://cge.fsu.edu/newStudents/orientation.html</a>
